To Whom it May Concern, 4-15-2019

On Jan 2, 2019 I wrote the  
 courts of Bluefield division in regards  
 to sexual misconduct - P.R.E.A. from  
 an officer while I have been in  
 custody @ F.C. & McDowell. It  
 was Case # 1:19-00001. I have had  
 to stop with the paperwork because  
 I had not exhausted all my remedies  
 through the B.O.P. I just recently  
 exhausted the remedies and would  
 like to pursue a "Bivens" claim  
 due to the nature of what has  
 happened and I cannot get any  
 answers. I have been neglected  
 in so many ways to try to resolve  
 this. I go home in 5 months  
 & I would like to get some  
 answers if I was sexually assaulted  
 while I was incarcerated having  
 surgery. Could you please re-send  
 me the correct paperwork so I  
 can get this resolved. I have  
 attached the remedies for my  
 records & can you please keep  
 them in my file too.

Respectfully, Antonio C. Johnson

Part A - REASON FOR APPEAL ON 11-5-2018 Approximately 9:20pm @ R.D. McDowell  
 Just Returning From Surgery. I mentioned to officer Thompson that my throat  
 was sore. officer Thompson Replied "I forgot the guys name who done that to  
 you." "I think his name was Steve", Also Replied w/ "I shouldnt of  
 said that, should I?" Insinuating A Penis had been down my  
 throat while unconscious in Surgery. After this I filed A P.R.E.A  
 w/ McDowell & Yet have heard Anything Back on BP's. I've Asked  
 Numerous times if Anyone could check in to see if this  
 officer Thompson sexually Molested me while Unconscious or not?  
 Still No Follow up from this incident,

 LAST NAME, FIRST, MIDDLE INITIAL REG. NO. UNIT INSTITUTION

Part A - REASON FOR APPEAL On 11-15-2018 Medowell was on Lockdown. Counselor Lily + Counselor Stocks Received the BP-9 in regards to STAFF Misconduct / Sexual Misconduct. Also on TUES DATE A BP-10 WAS sent To Mid-Atlantic Region, Not Knowing Proper Procedure for "Sensitive" Allegations. I Received BP-10 BACK And Brought this issue up w/ Counselor Lily + Counselor Stocks. But Since this + said By Counselor Lily "BP-9 should be route", STILL No Response + this issue has NOT Been Resolved. This Focuses on 11-05-2018 Approx. 9:20pm in R&D Returning From OAK Hill Hospital After my Surgery. While Alone w/ officer Thompson. I Mentioned to officer "My Throat Was Sore probably from Breathing Tube" officer Thompson Replied "I forgot the guys NAME who done that to you," "I Think his name was Steve!" "Oh I should of said that". Insinuating a Penis had Been down my throat while unconscious in Surgery. officer Thompson Is the last Person I seen In A White Suit when I WAS out for Surgery. After this WAS said, I Went To Psychology And Reported P.R.E.A. After the Report on 11-10-2018 officer Thompson Worked my Unit. Sent Message Back To Psychology - never heard from them again. It has Been awhile now + I feel Like Im getting the run around on this paperwork. Counselor wanting me to fill out another BP-9. (WHY?) I guess the other was never Filed. So now Im focusing on help from your Region. Respectfully Austin Lawson
